Administration

- Policy manual, LOSAP & point system still in review process.
- Admin duties have been transitioned to Jenn at TLFDD, so far things are going well but will take a little time to work the bugs out.
- The mail from the PO box and both stations has been forwarded to TLFDD
- An order has been placed with Century Link to relocate the station 2 phone line to TLFDD and forward the station 1 line to the station 2 line. Need to decide if we need a phone at station 2, if we do, we will need to order another line.
- Will need to close out the PO box once we are sure the mail is forwarding correctly.

- Currently have 17 members of the department, two of them are new as of last week.

- Met with Golden Gate State park & TLFDD this week to work on response plan and communication plan for incidents in the State Park
