To: Board of Directors

From: Damian DiFeo, Fire Chief

Subject: October Chief's Report

Date: October 10, 2019

Administration

- LOSAP manual has been reviewed by attorney, need to discuss their mark ups.
- Mitsu has accepted the admin position and has started work.

Personnel

- Currently have 17 members of the department.

Operations

- Call volume for 2019 is currently 82 which has surpassed last years call volume of 77.
- I was the incident commander for the Bald Mountain fire a few weeks ago, GGFD also sent a brush truck to the fire.

Communications/Jeffcom

- No report

AMR Ambulance

- The four fire agencies that make up the Central Fire Group have received RFP responses from the following EMS providers, Apex, AMR & Stadium. Responses are under review and we expect to decide on ambulance service in the next couple of weeks.

Strategic plan/ISO

- ISO review still in progress

Budget

- Budget committee will be presenting a budget draft tonight

Education/Training & Travel

- 2 recruits currently in the Mountain Agency Fire Academy. (Most likely going to cost 500.00 per firefighter, out of this year's budget)
- 4 firefighters will be attending EMSAC in November. (Dept. will pay half, there is a proposal has been submitted to the Auxiliary to pay the other half. Approximately 600.00 total out of this year's budget if the proposal is accepted)
- Chief Brill will be attending the leadership conference this month. (No fee as she is going under CTOA and CSFC)

Inspections/planning & Zoning

- No report

Grants

- I have been informed the we scored high enough for our AFG tender grant but there is a funding issue the feds are working through to fund the rest of the grants. So as of this week the rest of the awards are on hold.

Stations/Maintenance/Equipment

- Ready to begin improvements on station 3 pending final purchase funding approval by the board. The first improvement will be exterior painting.

Miscellaneous

- Foothills Fire and I conducted an AAR for all agencies involved in the Bald Mountain fire.
- I installed a light bar and associated equipment on the command vehicle that was donated to us by State Patrol. They have now donated several light bar packages to us, maybe the board could send them a thank you letter.
