Subject: January Chief's Report

Date: January 21, 2021

Administration

- No report

Personnel

- Currently have 15 members on the department. 11 in-district, 3 shift & 1 resident Firefighter.

Operations

- We finished 2020 with 98 calls, one shy of 2019, and have run 6 so far this month. I have attached some report data for review.

Communications/Jeffcom

- TLFD will be moving to the state 800 radio system in March which will greatly improve communications when on auto/mutual-aid calls. We will need to reprogram our radios to add their frequencies.

Stadium Ambulance

- Everything going well.

Strategic plan

- No report

Budget

- No report

Education/Training & Travel

- Working on getting trainings going again.
- Captain Stone is working with TLFD on training schedule and joint trainings.

- Taught three trainings to Fairmount for park familiarization for our new auto-aid agreement in Golden Gate.
- We went live with TLFDD training IGA this month & Captain Stone will be working with Chief Bondus on getting info from ER into Target Solutions.

Inspections/planning & Zoning

- Did two driveway inspections since last meeting, two ISO letters & one rezoning letter.

Grants

- Received some feedback from a professional grant writer on our FEMA grants. It does not look promising for getting them to fund a new tender, so we are going to have to buy one on our own.

Stations/Maintenance/Equipment

- Lt. Katz is working with Steve Green to resolve water issues at station 82.
- Need to schedule a meeting for the station #81 remodel committee and come up with a design.
- Got all our SCBA bottles hydro tested as they were all out of date.
- Waiting for one more quote for the SCBA compressor wiring. Once I have that I will pick the electrical contractor to get that done.
- Will be setting up a meeting with the station remodel committee to start working on the design of station #81.
- I am going to start looking for some used water tenders to see what is out there.

COVID-19

- Firefighters have begun getting their COVID vaccine shots.

Miscellaneous

- GGFD provided coverage for TLFDD so they could attend Cody & Shelby's funeral.
- After several revisions I was finally able to get the billing for Cameron Peak approved. So, should be seeing checks soon (I hope). The books will look a little off from last year as we had to pay our Firefighters in 2020.

Chief activity/meetings since last board meeting

- Attended the Mountain area Chiefs meeting (zoom)
- Attended Jeffco COVID staffing meeting (zoom)
