

Elect Mike Sever to the Golden Gate Fire Protection District Board *A Proven Leader Committed to Community Safety and Resilience*

Mike Sever brings a unique and highly relevant combination of executive leadership, technical expertise, and hands-on operational experience to the Golden Gate Fire Protection District (GGFPD). A resident of the district since 2020, Mike pairs his deep personal investment in our community with a professional track record that aligns directly with the challenges and opportunities facing our fire protection services.

Mike holds a B.S. from Oklahoma State University and has built a dynamic career spanning land management, environmental services, business operations, and business development. He currently serves as Vice President of Internal Operations at Teren Inc., where he plays a critical role in advancing geospatial analytics used to identify and mitigate environmental hazards such as wildfires and post-fire debris flows that pose threats to life, property, and essential infrastructure. His work directly informs proactive strategies to reduce risk and improve community resilience.

With previous leadership roles including Regional Manager at Layne Christensen Company, Mike has overseen complex, multi-state drilling and geotechnical projects for which he managed budgets, contracts, and relationships. As a former small business owner in both Oklahoma and Colorado, he has demonstrated entrepreneurial spirit and a deep commitment to innovating for public and environmental wellbeing.

Mike recognizes the critical importance of balanced budgeting and long-term planning. He advocates for smart, strategic investments in modern technology, equipment, and training that enhance firefighter safety and improve operational efficiency—while remaining mindful of the district's fiscal responsibilities. Mike is also committed to turning planning into action by ensuring the recommendations from the Golden Gate Community Wildfire Protection Plan (CWPP) are effectively implemented.

Mike believes that our fire board should be organized, responsive, and aligned with the values of the community it serves. If elected, he is committed to supporting our Fire Chief, empowering our firefighters, and amplifying the voice of residents across the district.

Vote for Mike Sever: Leadership We Can Trust. Commitment We Can Count On.
